RE: Application of Farmers Rural Electric Cooperative
Corporation For A New Commercial Time-Of-Day
Tariff
Case No. 2012-00108

Dear Mr. Gardner:

On April 12, 2012, the Commission received your letter requesting an extension of time on behalf of your client, Farmers Rural Electric Cooperative Corporation ("Farmers"), and you, as their counsel of record, to file responses to Commission Staff's First Request for Information. Your letter requested an extension of time from April 13, 2012 up to and including April 20, 2012 to file responses to the requests.

Your letter indicated that you have been out of your office due to a family medical issue, and that the Manager of Farmers has indicated that he does not feel they could have the appropriate complete responses to the requests without additional time.

As these data requests were not issued pursuant to a Commission procedural order, it is not necessary for an Order to be issued granting this request. As such, your request for an extension of time up to and including April 20, 2012 within which to file responses to Commission Staff's First Request for Information is granted.

If you have any questions, please contact Faith Burns of the Commission staff at 502/564-3940, Extension 235.

Sincerely,

Jeff Derouen
Executive Director
