COMMISSION

RE: Farmers Rural Electric Cooperative Corporation
New Commercial Time-of-Day Tariff, Case No. 2012-00108

Dear Mr. Derouen:

Your commission staff's first request for information to my client dated April 3, 2012 was received in my office April 5, 2012. I was out of my office from noon, April 2, 2012, until the early morning of April 9, 2012. My absence from the office was because my wife, Sandra B. Gardner, was having colon cancer surgery at the University of Louisville Hospital, Louisville, Kentucky, on April 3, 2012. I was with her the remainder of that week and was able to return her to Glasgow, Kentucky on the afternoon of April 7, 2012.

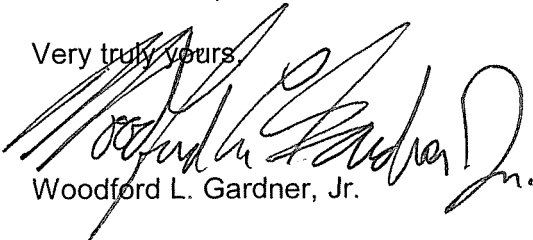

When I returned to the office on the morning of April 9, 2012, I first knew of your staff's first request for information from my client. I immediately prepared a cover letter and personally delivered the letter and the PSC request to Mr. William T. Prather, Manager of Farmers RECC. Mr. Prather has attempted to gather the information and have it to you by April 13, 2012. He called me today, however, and stated that he did not feel they could have the appropriate complete responses to your requests without additional time.

I am, therefore, requesting on behalf of my client, Farmers RECC, and me, as their attorney of record, for an additional period of time up to and including April 20, 2012 in which to file the appropriate responses to your requests.

I am, in addition to mailing you this letter, faxing a copy for your prompt attention.

Thank you for your consideration of this time extension request.

Very truly yours,

Woodford L. Gardner, Jr.
