ORDER

Grant County Sanitary Sewer District ("Grant District") has applied for authorization to issue an evidence of indebtedness in a larger amount than the Commission previously approved. As part of its application, it has requested a deviation from 807 KAR 5:001, Section 6, which requires the filing of a financial exhibit covering "operations for a twelve (12) month period . . . ending not more than ninety (90) days prior to the date the application is filed." It has provided its financial statements for calendar year 2010 and represents that there has been no change that is material in nature in its financial condition or operation since the publication of these statements.

Finding that Grant District has demonstrated good cause to permit its deviation from 807 KAR 5:001, Section 6, the Commission HEREBY ORDERS that:

1. Grant District's motion to deviate from 807 KAR 5:001, Section 6, is granted.
2. Grant District's application is considered filed as of the date of this Order.
