Re: Case No. 2012-00109
Grant County Sanitary Sewer District

VIA ELECTRONIC MAIL

Dear Mr. Nienaber:

In its application, Grant County Sanitary Sewer District ("Grant District") requests that the Commission increase the amount that Grant District may borrow from the Kentucky Infrastructure Authority for its Phase I Waste Water Extension Project from \$300,000 to \$433,178 (prior to any principal forgiveness). According to documents contained in Grant District's application, the additional funding is "needed to fund unanticipated budget overages."

Commission Staff respectfully requests that Grant District provide in writing within 7 days of this letter a description of these "unanticipated budget overages" and the circumstances that require the increased funding. To expedite the review process, Grant District's response may be submitted by electronic mail or facsimile.

Please telephone me at (502) 564-3940, Extension 259, or e-mail me at gerald.wuetcher@ky.gov if you have any questions regarding this request.

Sincerely,

A handwritten signature in black ink, appearing to read "Gerald E. Wuetcher".
