Public Service Commission  
Post Office Box 615  
Frankfort, Kentucky 40602

Re: Notice of Filing by Kenergy Corp. of Tariff Additions  
for Demand-Side Management and Energy  
Efficiency Programs

Dear Mr. DeRouen:

Enclosed on behalf of Kenergy Corp. ("Kenergy") are an original and four (4) copies of Kenergy's new tariff sheets PSC No. 2, Sheets 47 through 54A and a revised tariff table of contents that includes references to the new tariff sheets. The new tariff sheets implement certain demand-side management and energy efficiency programs and respond to the letter from the Public Service Commission ("Commission") upon that subject dated November 29, 2011. I certify that a copy of this Notice and Application have been served on the Kentucky Attorney General, Office of Rate Intervention, and all persons on the attached service list.

Please note that in addition to serving copies of orders, pleadings and other documents filed in this case on the undersigned, please also serve Kenergy's management as follows:

Sanford Novick  
Kenergy Corp.  
Post Office Box 18  
Henderson, KY 42419-0018

Except for the home weatherization tariff that Big Rivers filed (PSC 24, Sheet 2.07), the Kenergy tariffs mirror the Big Rivers tariffs with the only modification being some minor clarifications in the language. **As such, we would appreciate it if approval of these tariffs be expedited so that they can be in place by April 30, 2012.**

Because this filing involves unique circumstances as outlined in the Commission's November 29, 2011, letter, Kenergy requests that this filing be accepted as made and that, to the extent this filing does not comply with any requirement of 807 KAR 5:011, the Commission permit Kenergy to deviate from those rules pursuant to 807 KAR 5:011 Section 14.

Your assistance in this matter is appreciated.

Very truly yours,

DORSEY, KING, GRAY, NORMENT & HOPGOOD

By

J. Christopher Hopgood  
Counsel for Kenergy Corp.

High Efficiency Lighting Replacement Program

High Efficiency Lighting Replacement Program

Purpose

This program promotes an increased use of ENERGY STAR® rated Compact Fluorescent Light ("CFL") lamps among residential customers by purchasing and distributing CFL lamps.

Availability

A DSM program's rates, terms and conditions are available to residential customers, subject to the limitations and eligibility requirements of this program, and to the rules and regulations of this tariff.

Eligibility

A residential customer in Kenergy Corp.'s service area.

Customer Incentives

Kenergy Corp. will purchase and distribute CFL lamps to its eligible residential customers.

Terms & Conditions

Kenergy Corp. will distribute up to six CFL lamps per residential customer, per year.

Evaluation, Measurement and Verification

Kenergy will initiate a process of evaluation, measurement and verification for the program. The process will ensure the quality and effectiveness of the program and optimal use of resources.

ENERGY STAR® Clothes Washer Replacement Incentive Program

ENERGY STAR® Clothes Washer Replacement Incentive Program

Purpose

This program promotes an increased use of ENERGY STAR® rated clothes washing machines ("Qualifying Clothes Washer") among residential customers by paying an incentive to an eligible residential customer, who purchases and installs a Qualifying Clothes Washer.

Availability

A DSM program's rates, terms and conditions are available to its residential customers, subject to the limitations and eligibility requirements of this program, and to the rules and regulations of this tariff.

Eligibility

A residential customer who purchases and installs a Qualifying Clothes Washer in the Kenergy Corp. service area.

Customer Incentives

Kenergy Corp. will pay an incentive payment of \$100 for each Qualifying Clothes Washer purchased and installed by an eligible residential customer.

Terms & Conditions

To qualify for the incentive under this program, a residential customer must submit to Kenergy Corp. a copy of a paid invoice from a legitimate retail appliance supplier for purchase and installation of a Qualifying Clothes Washer on the premises of an eligible residential customer.

Evaluation, Measurement and Verification

Kenergy Corp. will initiate a process of evaluation, measurement and verification for the program. The process will ensure the quality and effectiveness of the program and optimal use of resources.

ENERGY STAR® Refrigerator Replacement Incentive Program

ENERGY STAR® Refrigerator Replacement Incentive Program

Purpose

This program promotes an increased use of ENERGY STAR® rated refrigerators ("Qualifying Refrigerator") among residential customers by paying an incentive for the benefit of an eligible residential customer, who purchases and installs a Qualifying Refrigerator and removes from operation and recycles an existing older, low-efficiency refrigerator.

Availability

A DSM program's rates, terms and conditions are available to its residential customers, subject to the limitations and eligibility requirements of this program, and to the rules and regulations of this tariff.

Eligibility

A residential customer in Kenergy Corp.'s service area who purchases and installs a Qualifying Refrigerator and removes from operation and recycles an existing refrigerator.

Customer Incentives

Kenergy Corp. will pay one of its residential customers an incentive payment of \$100 for each Qualifying Refrigerator that is purchased and installed in Kenergy Corp.'s service area in conjunction with removing from operation and recycling an existing refrigerator.

Terms & Conditions

To qualify for the incentive under this program, the residential customer must submit to Kenergy Corp. a copy of a paid invoice from a legitimate retail appliance supplier for purchase and installation of a Qualifying Refrigerator on the premises of an eligible residential customer and acceptable documentation that an older refrigerator has been removed from operation and recycled.

Evaluation, Measurement and Verification

Kenergy Corp. will initiate a process of evaluation, measurement and verification for the program. The process will ensure the quality and effectiveness of the program and optimal use of resources.

Residential High Efficiency Heating, Ventilation and Air Conditioning ("HVAC") Program

Purpose

This program promotes an increased use of high efficiency HVAC systems among residential customers by paying a residential customer an incentive that purchases and installs an HVAC system beyond contractor grade minimums to one of three types of ENERGY STAR® rated HVAC systems ("Qualified System").

Availability

A DSM program's rates, terms and conditions are available to its residential customers, subject to the limitations and eligibility requirements of this program, and to the rules and regulations of this tariff.

Eligibility

A residential customer located in Kenergy Corp.'s service area who upgrades an HVAC system to one of three types of Qualified Systems.

Customer Incentives

Kenergy Corp. will reimburse one of its residential customers an incentive payment based on the following table for purchase and installation by one of its residential customers of a Qualified System HVAC upgrade located in the Kenergy Corp.'s service area. The incentive paid for each Qualified System of one of the following types shall be:

Table with 2 columns: System Type (Geothermal, Dual Fuel, Air Source) and Incentive Amount (\$ 750, \$ 500, \$ 200)

Terms and Conditions

To qualify for the incentive under this program, a residential customer must submit to Kenergy Corp. a copy of a receipt of purchase and installation at residential customer's residence of a Qualified System from a licensed HVAC contractor.

Touchstone Energy® New Home Program

Touchstone Energy® New Home Program

Purpose

This program promotes an increased use of energy efficient building standards as outlined in the Touchstone Energy® certification program, including installation of high efficiency ENERGY STAR® rated HVAC systems, among residential customers by paying a residential customer whose new home includes an HVAC system beyond contractor grade minimums that is one of three specified types of ENERGY STAR® rated HVAC systems ("Qualified System").

Availability

A DSM program's rates, terms and conditions are available to residential customers, subject to the limitations and eligibility requirements of this program, and to the rules and regulations of this tariff.

Eligibility

A residential customer whose new Touchstone Energy® Certified residence includes a Qualified System and is built in Kenergy Corp.'s service area.

Customer Incentives

Kenergy Corp. will pay a residential customer an incentive payment based on the following table for purchase or for construction by one of its residential customers of a new Touchstone Energy® Certified residence that includes a Qualified System. The incentive paid for each residence for a Qualified System of one of the following types shall be:

Table with 2 columns: Incentive Type and Amount. Includes Geothermal Heat Pump (\$2,000), Air Source Heat Pump (\$1,000), Dual Fuel Heat Pump (ASHP w/Gas Backup) (\$1,200), and High Efficiency A/C with Gas Furnace (\$750).

Terms & Conditions

To qualify for the incentive under this program, a residential customer must submit to Kenergy Corp. a copy of the original Touchstone Energy® Certified residence certification document and supporting documents, and a copy of the receipt or certification from a licensed HVAC contractor verifying installation of the Qualified System on the premises of a residential customer.

Residential and Commercial HVAC & Refrigeration Tune-Up Program

Residential and Commercial HVAC & Refrigeration Tune-Up Program

Purpose

This program promotes annual maintenance of heating and air conditioning equipment among eligible Residential and Commercial Customers by paying an incentive for the benefit of an eligible Residential or Commercial Customer, for professional cleaning and servicing of the Residential or Commercial Customer's heating and cooling system.

Availability

A DSM program's rates, terms and conditions are available to Residential and Commercial Customers, subject to the limitations and eligibility requirements of this program, and to the rules and regulations of this tariff.

Eligibility

An eligible Residential or Commercial Customer is a Residential or Commercial Customer in Kenergy Corp.'s service area whose heating and cooling system is professionally cleaned and serviced in accordance with this program.

Member Incentives

Kenergy Corp. will reimburse a Residential or Commercial Customer an incentive payment of \$25 for each residential unit and \$50 for each commercial unit of an eligible Residential or Commercial Customer that is professionally cleaned and serviced. The incentive is available for up to three residential units per location, and up to five commercial units per location. The incentive is available once per unit per year.

Terms & Conditions

To qualify for the incentive under this program, a Residential or Commercial Customer must submit to Kenergy Corp. a copy of a receipt from a licensed contractor verifying that the heating and cooling system on the premises of an eligible Residential or Commercial Customer has been professionally cleaned and serviced.

Evaluation, Measurement and Verification

Kenergy Corp. will initiate a process of evaluation, measurement and verification for the program. The process will ensure the quality and effectiveness of the program and optimal use of resources.
