Re: Case No. 2012-00149; In the Matter of Integrated Resource Plan
of East Kentucky Power Cooperative, Inc.

Dear Mr. Childers:

On behalf of East Kentucky Power Cooperative, I have received the Petition of Sonya McElroy and The Sierra Club for Full Intervention in the captioned matter.

While EKPC does not intend to formally respond to this Petition for Full Intervention, I note that you have also tendered Requests for Information along with the Petition for Full Intervention.

I wish to advise you that EKPC does not intend to respond to these Requests for Information until such time as the Kentucky Public Service Commission rules on the Petition to Intervene.

At that time, EKPC will consider the Requests for Information and provide timely responses for those requests which are appropriate and germane to the IRP docket and will object to those which it believes are not.

Please contact me should you wish to discuss this matter.

Sincerely yours,

Mark David Goss
