Re: Kentucky Turnpike Water District, Division No. 1 and 2

Dear Mr. Wueter,

On August 11, 2000 the Kentucky Turnpike Water District, Division No. 1 and 2 (KTWD) merged with the Louisville Water Company. Since this time a series of improvements that were outlined in the Merger Agreement have been implemented including the 10-year Bullitt County Extension Program that brought water to over 1,800 Bullitt County residents.

We are writing to request your assistance in initiating the procedural steps necessary to dissolve KTWD. We understand that the first step is to request that the Public Service Commission appoint commissioners that could convene a meeting to evaluate the merits of dissolving KTWD, so today we are requesting that commissioners be appointed.

Attached is a list of potential commissioner candidates that are residents of the district and familiar with local issues. If you have any questions, please feel free to contact Monica Robinson, Bullitt County Attorney at (502) 543-1505 or me at (502) 543-2262.

Sincerely,

A handwritten signature in cursive script that reads "Melanie J. Roberts".
