

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

REQUEST FOR APPOINTMENT OF )  
COMMISSIONERS FOR KENTUCKY ) CASE NO. 2012-00173  
TURNPIKE WATER DISTRICT )

O R D E R

Bullitt County Judge/Executive Melanie J. Roberts has advised the Commission in writing of the existence of three vacancies on the Kentucky Turnpike Water District's ("Kentucky Turnpike") Board of Commissioners due to the expiration of the previous occupants' terms. Judge/Executive Roberts reports that no vacancies on Kentucky Turnpike's Board of Commissioners have been filled since Louisville Water Company's acquisition of Kentucky Turnpike's assets in 2000.<sup>1</sup> These vacancies, Judge/Executive Roberts states, must be filled as the first step to dissolving the water district.

KRS 74.020(4), which addresses the appointment of members to the boards of commissioners of water districts, states:

Vacancies shall be filled by the same appointing authority which is empowered to make the original appointment. Vacancies resulting from cause other than expiration of the term shall be filled for the unexpired term only. Notwithstanding the provisions of KRS 67.710, a vacancy resulting from the expiration of a term shall be filled by the Public Service Commission if, within ninety (90) days following the expiration of the term, the vacancy has not been filled by the appropriate county judge/executive with approval of the fiscal court.

---

<sup>1</sup> See Case No. 2000-306, *The Application of the Louisville Water Company for Approval of Merger and Acquisition of Ownership of Kentucky Turnpike Water District* (Ky. PSC Sept. 6, 2000).

As the positions have been vacant for more than 90 days, the Commission has the statutory duty and the exclusive authority to fill them. While a county judge/executive and a county fiscal court may reach agreement on the vacant position, they lack authority to fill the vacancy once it has remained unfilled for more than 90 days. Any action on their part to appoint and approve a candidate at that time has limited legal effect and constitutes only a recommendation to the Commission.<sup>2</sup>

The Commission recognizes that deference should be accorded to local elected officials when filling vacancies on a water district's board of commissioners. We have previously declared:

While the Commission has exclusive authority to fill vacancies that exist for 90 days or more, we will defer to the local elected officials in those instances where the local appointing and approval authorities have reached agreement on a candidate. Absent unusual circumstances that raise clear concerns about an agreed candidate's qualifications, such deference is appropriate because local officials generally have a better understanding of the candidates' qualifications and of the water district's needs and because these officials are directly accountable to the water district's customers through the ballot box.<sup>3</sup>

Accordingly, the Commission finds that a proceeding should be initiated to fill the vacancies. In view of Kentucky Turnpike's present condition and the purpose for which the appointments have been sought, we will limit the scope of our review to determining whether the persons who Judge/Executive Roberts has nominated for the positions meet the constitutional and statutory requirements for the office of water district commissioner.

<sup>2</sup> See Case No. 2008-00395, *Request to Fill Existing Vacancies on the Board of Commissioners of Letcher County Water and Sewer District* (Ky. PSC Jan. 28, 2009).

<sup>3</sup> Case No. 2007-00493, *Request for Assistance in the Appointment of Breathitt County Water District Commissioners* (Ky. PSC Mar. 20, 2008) at 4-5.
