APPLICATION OF OWEN ELECTRIC COOPERATIVE, INC.
FOR AN ADJUSTMENT OF RATES
CASE NO. 2012-00448

Commission Staff's Information Request from the Hearing Held on August 7, 2013

1. Please refer to the Billing Analysis for Settlement (proof of revenue) schedule entered into the record at the hearing. Under the column heading "Normalized Case No. 2010-00507" for rate Schedule I-A, Off-Peak Marketing Rate, the rate is reflected as \$.05127/kWh. Owen Electric's tariff for Schedule I-A reflects a rate of \$.05286/kWh. What rate has Owen Electric used in its billings to the customers under this rate schedule?

Response: Owen Electric has billed the customers under this rate schedule the published tariff rate of \$.05286/kWh. Because the tariff has been followed, no billing adjustments are necessary.
