

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

CASE NO. 2012-00501

RECEIVED

MAY - 8 2013

PUBLIC SERVICE  
COMMISSION

In the Matter of:

PROPOSED ADJUSTMENT OF THE WHOLESALE WATER SERVICE RATES OF  
THE CITY OF BRANDENBURG, KY

MOTION

Comes the City of Brandenburg, Kentucky, ("Brandenburg"), by its counsel, Darren Sipes, and moves the Public Service Commission to grant it the following relief:

Approve the use of the contract formula between Brandenburg and Meade County Water District ("Meade District") to be used in setting the proposed wholesale rate.

Grant Brandenburg relief from filing the information set forth in the Commission's Order entered November 19, 2012. Brandenburg believes the requirement to file this information would be excessive, if it is permitted to use the contract between the parties to establish the wholesale rate.

Grant Brandenburg 90 days from the date of the Commission's Order responding to this motion, to file the required information if the Commission allows the contract to be used. If the Commission Orders that the information set out in its Order establishing this case be used, then Brandenburg requests a 120 day extension, due to the considerable amount of information that will be necessary to be filed.

Respectfully submitted,

  
DARREN SIPES
