Re: Case 2012-00520, Kentucky American rate increase request: JUST SAY NO

Dear Commissioners:

Do not, Not, NOT grant Kentucky American a rate increase. It has done nothing to deserve one; a 71% increase in rates in the last 6 years is ample proof of mismanagement, if not outright greed..

I retired 15 years ago with a small pension which has never been increased, nor will it ever be says the company. Yet Kentucky American continually gouges customers like me to fuel its excessive desire for profit.

To grant this ridiculous request is an abuse of your powers.

Sincerely,

Shirley P. Hendrix
