PUBLIC SERVICE
COMMISSION

10

12 **MOTION FOR DEVIATION**
13

14 Big Rivers Electric Corporation (“Big Rivers”) hereby moves the Kentucky
15 Public Service Commission (“Commission”) for a deviation from the requirement in
16 the Commission’s Staff’s First Request for Information to Big Rivers requiring that
17 Big Rivers file a hardcopy original and ten paper copies of its responses to the
18 information requests, and from the requirement in 807 KAR 5:001 Section 13 that
19 Big Rivers file a paper copy of material containing confidential information
20 submitted under a petition for confidential treatment and ten paper copies of that
21 material with the confidential information redacted. Big Rivers is filing with this
22 motion a hardcopy original and ten paper copies of its responses to the Commission
23 Staff’s First Request for Information, except that certain of the attachments to Big
24 Rivers’ responses to Items 8, 29, 39, 45, 46, and 57 (“PSC 1-8,” “PSC 1-29,” “PSC 1-
25 39,” “PSC 1-45,” “PSC 1-46,” and “PSC 1-57,” respectively) are provided
26 electronically on a CD attached to the original and each copy of the responses, or on
27 a CONFIDENTIAL CD filed under a petition for confidential treatment.

28 The attachments for PSC 1-8, PSC 1-39, PSC 1-45, and PSC 1-46 that are
29 being provided electronically are voluminous. If printed, the electronic attachment

1 for PSC 1-8 would be 331 pages; the electronic attachments for PSC 1-39 would be
2 161 pages; the electronic attachments to PSC 1-45 would be approximately 395
3 pages; and the electronic attachments to PSC 1-46 would be 100 pages. Big Rivers
4 is providing three hardcopies of these attachments with this motion.

5 The attachment for PSC 1-29 that is being provided electronically is a
6 spreadsheet that is difficult to read if provided in hardcopy, and the attachments for
7 PSC 1-57 are spreadsheets and are being provided electronically so that the
8 Commission and the parties will have the Excel files with formulas intact. Also,
9 some of the spreadsheets would be voluminous or difficult to read if printed. All of
10 the attachments to PSC 1-57 are being filed under a petition for confidential
11 treatment except one, which is Exhibit Wolfram-2. Hardcopies of Exhibit Wolfram-
12 2 were provided with Big Rivers' application. Also, as noted in the petition for
13 confidential treatment, the confidential attachments to PSC 1-57 are being redacted
14 in their entirety because they are spreadsheets, and Big Rivers cannot redact the
15 confidential material from those files without making other cells in the spreadsheet
16 unusable. As such, Big Rivers is not including any hardcopies of the attachments to
17 PSC 1-29 and PSC 1-57 that are the subject of this motion.

18 WHEREFORE, Big Rivers respectfully requests that the Commission enter
19 an order granting a deviation to Big Rivers from the requirements to file paper
20 copies of the attachments to its responses to the above requests for information.

1 On this the 28th day of January, 2013.

2 Respectfully submitted,
