**RE: Case No. 2012-00537**

According to the Public Service Commission's Staff Report, Bath County Water District rates calculated under to DSC Method, would increase 10.25 percent. Bath County Water District would like to accept the rates outlined in Attachment B to generate additional revenue of \$171,045 or 10.25 percent.

Bath County Water District request that the Commission make its decision based on the information as it stands. Bath County Water District waves its right to a hearing and request that the conference on March 15, 2013 at 1:30 p.m. be cancelled.

Thank you for all your help. If you need additional information please call.

Respectfully,

Kenneth Barber  
Co-Manager
