**MOTION OF KENTUCKY POWER COMPANY
FOR CONFIDENTIAL TREATMENT**

Kentucky Power Company moves the Public Service Commission of Kentucky pursuant to 807 KAR 5:001, Section 13(2), for an Order granting confidential treatment to the identified portions of its Response In Opposition to the Attorney General's Petition For Rehearing ("Response").

Pursuant to 807 KAR 5:001, Section 13, Kentucky Power is filing under seal those pages of its response containing confidential material. The confidential material is highlighted in yellow. In accordance with the Commission's regulations, Kentucky Power also is filing ten redacted copies of the Response. Kentucky Power will notify the Commission when it determines the information for which confidential treatment is sought is no longer confidential.

A. The Requests and the Statutory Standard.

Kentucky Power does not object to filing the identified information for which it is seeking confidential treatment, but requests that the identified portions of the Post-Hearing Brief be excluded from the public record and public disclosure.

KRS 61.878(1)(c)(1) excludes from the Open Records Act:

Upon and after July 15, 1992, records confidentially disclosed to an agency or required to be disclosed to it, generally recognized as confidential or proprietary, which if openly disclosed would permit an unfair commercial advantage to competitors of the entity that disclosed the records.

This exception applies to the following information for which Kentucky Power is seeking confidential treatment:

(a) Response to the Attorney General's Petition for Rehearing

Kentucky Power seeks confidential treatment for the identified portions of its Response. The identified information contains testimony, data and analysis developed by the Company based upon information provided by third parties pursuant to confidentiality agreements and in response to Kentucky Power's March 28, 2013 request for proposals for up to 250 MW of long-term capacity and energy ("RFP"). The identified information was the subject of cross-examination in confidential session during the hearing in this case. The information is the subject of Kentucky Power's June 28, 2013 motion for confidential treatment that has not yet been addressed by the Commission. Kentucky Power incorporates the pending June 28, 2013 motion for confidential treatment in this motion.

WHEREFORE, Kentucky Power Company respectfully requests the Commission to enter an Order:

1. According confidential status to and withholding from public inspection the identified information; and

2. Granting Kentucky Power all further relief to which it may be entitled.

Respectfully submitted,
