ORDER

Pursuant to 807 KAR 5:056, the Commission established this case on February 7, 2014, to review and evaluate the operation of the Fuel Adjustment Clause ("FAC") of Shelby Energy Cooperative, Inc. ("Shelby Energy") for the six-month period that ended on October 31, 2013.

As part of this review, Shelby Energy complied with the Commission's Order to submit certain information concerning its compliance with 807 KAR 5:056. The Commission further ordered that a public hearing be held in this case and indicated that if no interested party notified the Commission of its intent to attend by April 7, 2014, the hearing would be cancelled and the matter would be considered submitted for decision based on the evidence in the record.

No individual or entity advised the Commission of an intent to attend the hearing by April 7, 2014. The public hearing was cancelled, and the matter is considered submitted for decision based on the evidence in the record.

The Commission, having considered the evidence in the record and being otherwise sufficiently advised, finds no evidence that Shelby Energy has improperly calculated or applied its FAC charge.

IT IS THEREFORE ORDERED that the charges and credits applied by Shelby Energy through the FAC for the period May 1, 2013, through October 31, 2013, are approved.
