Dear Chairman:

At its meeting November 16, 2012, the board of Logan/Todd Regional Water Commission voted to increase its wholesale water rate by two percent. This increase from \$3.75 per thousand gallons to \$3.83 per thousand gallons will be effective March 1, 2013. This new rate will then appear for the first time on our invoices dated March 31, 2013.

Please be assured that this decision to raise our wholesale rate followed thorough analyses of our operating costs and deliberation on usage trends. Our operating budget for 2013 is based upon 3.8 mgd instead of 4.0 mgd as in the recent past. Efforts to contain costs will continue even as changes in the economy as a whole impact our position.

If we can be of assistance to you in any way, please call.

Sincerely,

Kyle R Kenner  
System Manager
