Case # 2013-00017

6/27/13

Robert Hawkins v Fountain Run Water District

Mr. Jeff Derouen
Public Service Commission
Executive Director

Sir,

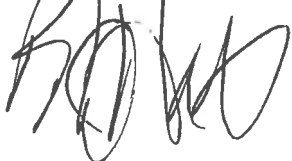

I am writing to request that the original deadline for witness list submission be extended until 10 days prior to the new hearing date of August 16 2013. Due to the recent volume of new information submitted by FRWSD and the many scheduling issues that have been encountered I feel an extension is in order.

I am respectfully requesting that the Public Service Commission extend the original date of June 28 2013 to the date of August 6 2013 for the new witness submission deadline. I am including with this request a preliminary witness list and would like to be able to make additions if needed.

The large volume of new information has opened the possibility for calling other parties in this matter.

Respectfully

Robert Hawkins

Witness list
2013-00017
Robert Hawkins v Fountain Run Water District
Preliminary witness list

Ricky Ross
Louise Veach
Joe Cornwell
Ronnie Smith
Brenda Steenbergan
Raven Propes
John Downing
Chris Veach
Kenneth Jackson

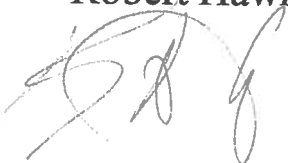

The above list of witnesses all were present at the Nov. and Dec. 2013 meetings and made various claims as to the validity of the billing practice. With the exception of Mr. Ross who stated his doubts about the billing practice.

I expect that each member will be able to explain the inner workings of the FRWSD water board and the policies of the district on this matter including what information each commissioner used to determine the validity of billing and the need to file suit. I also would like a detailed explanation of each board members credentials and specific training that each board member has completed. I would like to determine the specific criteria on which each member based their decisions and determine if each commissioner is legally able to execute the positions they hold.

I expect to be able to give a more detailed summary once I am able to completely understand the recent submission of new information.

I would like to make clear that this is a preliminary list and if an extension is granted I may add or remove witnesses.

Robert Hawkins
