To Whom It May Concern:

I am opposed to the cell phone tower on Race Track Road in Symsonia, Graves County, Kentucky. (Case No. 2013-00023)

My husband and I have some concerns about the health of people who live close to one of these towers. I'm already sensitive to alot of things.

Also, our house will be facing this tower. Not a very attractive view.

Thank you,
Wilma Johnson
