RE: Case No. 2013-00026

To Whom It May Concern:

It has been brought to my attention that the start date for our wholesale water rate increase from Shelbyville Municipal will become effective February 19, 2013. Because of the misinterpretation of Shelbyville's start date, West Shelby Water District originally submitted an adjustment to our rates with a beginning date of April 1, 2013. Our board of Commissioners has decided to revise the initial effective date to coincide with the proposed increase from Shelbyville Municipal.

Please accept this letter as notice to change the start date of Case No. 2013-00026 to become effective February 19, 2013.

If you have any questions, please contact Lisa M. Didier, Executive Administrator of the West Shelby Water District at (502) 722-8944.

Yours truly,

Lisa M. Didier,
Executive Administrator
West Shelby Water District
