Re: West Carroll Water District PSC Application for Certificate of Convenience and Necessity: Response to Request for Further Information

Dear Mr. Derouen:

Below and attached are the responses to Commission Staff's Request for Information to WCWD received by our office on May 1, 2013. The numbering and order of response matches the order set out in the Request for Information and the question is repeated for clarity with our response in bold and italics.

- 1) Provide detailed engineering drawings of the proposed extensions. These drawings shall be stamped, signed, and dated by a Kentucky licensed professional engineer in accordance with KRS 322.340.
Attached are five (5) additional copies of the stamped engineering plans. WCWD submitted ten (10) sets of plans and specifications on February 7, 2013 to PSC with the Certificate of Convenience and Necessity.
- 2) a. State whether a request for bids has been published in accordance with KRS 424.260.
Yes, a request for bids was published in the April 24, 2013 edition of the News Democrat.
 - b. If no, state when West Carroll Water District or Carrollton Utilities expects to publish the request for bids.
See below.
 - c. If yes,
 - (1) State when the request was published and provide a copy of the notice.
The request for bids was published on April 24, 2013 in the News Democrat and a copy of the request is attached.

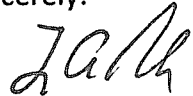

- (2) State the deadline for submission of bids to West Carroll Water District or Carrollton Utilities.
Bids are due on May 15, 2013.
- 3) State the period of time for which a submitted bid must remain effective.
Potential contractors must keep their bids effective for 115 days.
- 4) State when West Carroll Water District or Carrollton Utilities anticipates awarding the contract.
Carrollton Utilities anticipates awarding the contract by June 7, 2013.
- 5) If bids have been submitted, or when bids are submitted, provide:
- a. Each submitted bid;
A copy of all bids will be submitted to PSC once the project is bid.
 - b. The tabulation or summary of submitted bids;
The engineer will supply a bid tabulation of the bids once the project is bid.
 - c. The project engineer's recommendation regarding the submitted bids;
The engineer will supply a recommendation once the project is bid and the bids are reviewed for accuracy and compliance with specifications.
 - d. The minutes of the meeting in which West Carroll Water District's Board of Commissioners or Carrollton Utility Commission selected the winning bid;
The Carrollton Utility Commission will select the winning bid once the project is bid and the bids have been reviewed. The West Carroll Water District will get a copy of the bids, bid tabulation and the memo to the CU Commission recommending award.
 - e. Provide a breakdown of the total cost of the project including, but not limited to, the administrative costs, construction cost, engineering fees, inspection fees, contingencies, and legal expenses.
The total cost of the project as it is defined above will be provided to PSC once the project is bid and the cost to each utility will be defined.
- 6) Refer to County Underserved Project Preliminary Engineering Report at page 25. Using Table 10, state the number of households that each extension project will add to the West Carroll District's system.
Table 10 has been revised to reflect the number of households the extension project will add to the West Carroll Water District's system and it is attached.

If you have any questions or comments regarding the above or attached information please do not hesitate to call. Carrollton Utilities in conjunction with the West Carroll Water District are anxious to get the bids opened and awarded as soon as possible since the funding obligation from the Kentucky Infrastructure Authority expires on **June 8, 2013**. While there are options to extending this date we do want to burden KIA with additional requests since many entities are seeking funding. My contact information is as follows:

ADVERTISEMENT TO BID

COUNTYWIDE UNDERSERVED PROJECT
WATER DISTRIBUTION AND WATER TREATMENT
PLANT UPGRADES
CONTRACTS 1-2012 AND 2-2012

CARROLLTON UTILITIES

Carrollton Utilities will receive sealed Bids for its Countywide Underserved Project until 3:30 P.M., local time, May 15, 2013, at 225 Sixth Street, Carrollton, Kentucky 41008, at which time the Bids will be publicly opened and read aloud.

The Work includes the installation of approximately 38,890 linear feet of new water main extensions, and two pump stations (Contract 1-2012), and installation of a new pump and water softening system at the Carrollton Utilities Water Treatment Plant with associated appurtenances and controls (Contract 2-2012).

Bids are to be addressed to the Carrollton Utilities, 225 Sixth Street, Carrollton, KY 41088 and shall be marked "Sealed Bid-Countywide Underserved Project-Contracts 1-2012 and 2-2012."

Complete digital project bidding documents are available at www.strand.com, or at www.questcdn.com. Download the digital plan documents for \$30 by inputting Quest project number 2637271 on the website's Project Search page. Please contact QuestCDN.com at (952) 233 1632 or info@questcdn.com for assistance in free membership registration, downloading, and working with this digital project information.

Bidding Documents may be reviewed and paper copies may be obtained from the Issuing Office which is Strand Associates, Inc.®, 325 West Main Street, Suite 710, Louisville, Kentucky 40202, (502) 583 7020. A nonrefundable fee of \$100 will be required (shipping and handling fees included). Overnight mailing of Bidding Documents will not be provided.

All Bidders submitting a sealed Bid shall obtain the Bidding Documents from QuestCDN.com or from Strand Associates, Inc.®

Bidders who submit a Bid must be a Plan Holder of record at the Issuing Office. Bids from Bidders who are not on the Plan Holders List may be returned as not being responsive.

The Bid must be accompanied by Bid security made payable to OWNER in an amount of 5% of the Bidder's maximum Bid price.

Plan Holders are requested to provide an e mail address if they wish to receive addenda and other information electronically. Plan Holders are requested to designate whether they are a prime contractor, subcontractor, or supplier if they want this information posted on the project Plan Holders List

Bidders shall comply with all provisions of KRS Chapter 337 with respect to labor wage rates and with Federal Davis Bacon Wage Rates. Not less than the higher

prevailing hourly rate of wages shall be paid for Work under the Contract.

Carrollton Utilities reserves the right to reject any or all Bids, to waive any technicality, and to accept any Bid which it deems advantageous. All Bids shall remain subject to acceptance for 115 days after the time set for receiving Bids.

Contract award shall be made based on the lowest responsive and responsible Bid.

This Bid is subject to Kentucky Revised Statutes Section 45A.490 through 45A.494, which in general provides that a "resident bidder" of Kentucky is to be given a bidding preference over a "nonresident bidder" who is registered in a state that gives preference to its in state resident bidders over a Kentucky resident bidder. The bidding preference is to be the same as that stipulated for the state of the "nonresident bidder". If the state of a "nonresident bidder" provides no specific preference then "resident" and "nonresident bidders" are to be treated the same when evaluating Bids.

All Bidders must comply with all Federal, State, and local Equal Employment Opportunity laws and regulations which prohibit discrimination in employment regarding race, creed, color, sex, or national origin.

All taxes are the responsibility of the successful Bidder unless specifically exempted in the Bidding Documents.

Bidder's attention is called to the fact that any Contract awarded under this Advertisement to Bid is expected to be funded in part by a loan from the Kentucky Infrastructure Authority (KIA) State Revolving Fund (SRF). The Bidder shall comply with the Supplemental General Conditions of the Clean Water State Revolving Fund and the Drinking Water State Revolving Fund (Water and Wastewater).

Bidders shall comply with 40 CFR 31.36 which includes but is not limited to the following: (1) the President's Executive Order 11246 (Equal Employment Opportunity) as amended, which prohibits discrimination in employment regarding race, creed, color, sex, or national origin, (2) Title VI of the Civil Rights Act of 1964, (3) the Anti Kickback Act, and (4) the Contract Work Hours Standards Act.

CONTRACTOR and its Subcontractors shall comply with 41 CFR 60 4, in regard to affirmative action, to ensure equal opportunity to females and minorities and will apply the timetables and goals set forth in 41 CFR 60 4, if applicable to the area of the Project. Bidder shall make positive efforts to use small, minority, women owned, and disadvantaged businesses.
