Re: Case No. 2013-00043
Muhlenberg County Water District

VIA ELECTRONIC MAIL

Gentlemen:

Commission Staff requests that Muhlenberg County Water District provide documentary evidence that its proposed purchase of 5,800 iPerl water meters at a cost of \$1,247,000 complies with KRS 424.260. This evidence should include, at a minimum, an affidavit from the newspaper publisher verifying notice was published, including the dates of the publication with an attached copy of the published notice, a copy of all bids received in response to such notice, and a copy of the bid tabulation sheet. Commission Staff further requests that Muhlenberg County Water District provide a copy of the minutes of the meeting of Muhlenberg County Water District's Board of Commissioners in which the bid selection was approved.

Please note that this information is critical to the Commission's review of Muhlenberg County Water District's application and that delay in providing this information will delay final Commission action on that application.

Any questions regarding this letter should be directed to Gerald Wuetcher, Executive Advisor/Attorney, at (502) 782-2590 or gerald.wuetcher@ky.gov.

Sincerely,

Jeff Derouen
Executive Director
