RE: Gas Cost Adjustment Case No. 2013-00045

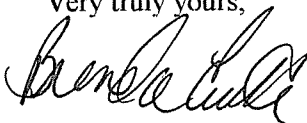

Dear Mr. Derouen:

The expected gas cost provided in the Gas Cost Adjustment Case No. 2013-00045 in the amount of \$5.40 per MCF was provided verbally to Burkesville Gas Company, Inc. by Todd Moore of Petrol Energy. Burkesville Gas Company, Inc. purchases gas from Petrol Energy at "spot price". Also, Burkesville Gas must require its gas provider to include all transportation charges to the Texas Eastern meter #72536. This is because Burkesville Gas does not own its own transportation rights on the Texas Eastern line. Therefore the \$5.40 estimate for March 2013 gas deliveries include all Texas Eastern transportation charges.

The transmission fees from Apache Gas Transmission Company, Inc. in the amount of \$2.552 per MCF are the fees approved by the Public Service Commission in Apache's Case No. 2007-00354 dated December 21, 2007. A copy of this rate and charges tariff page for Apache Gas Transmission Company, Inc. is attached.

Also, please correct the business mailing address to P. O. Box 385, Emory, TX 75440.

If you need additional information, please feel free to contact myself at (903) 268-5122 or Brenda Everette at (903) 268-3591 or by e-mail at burkesvillegas@windstream.net
