RE: Case No. 2013-00050
Filing Deficiencies

The Commission Staff has reviewed Hardin County Water District #1's application in the above case. This filing is rejected for the reasons set forth below.

Filing deficiencies pursuant to:

807 KAR 5:001, Section 16(1)(b):

- New or revised tariff sheets, if applicable, in a form that complies with 807 KAR 5:011 with an effective date not less than thirty (30) days from the date the application is filed (or no effective date).
- New or revised tariff sheets, if applicable, shown by either providing the present and proposed tariffs in comparative form on the same sheet side by side or on facing sheets side by side, or providing a copy of the present tariff indicating proposed additions by italicized inserts or underscoring and striking over proposed deletions.

The statutory time period in which the Commission must process this case will not commence until the above-mentioned information is filed with the Commission. If your filing contains a proposed effective date, the rejection of your filing for reasons of deficiencies voids that proposed effective date. When you file the required information to correct the deficiencies, you may re-file your proposed tariff with a new proposed effective date that is a least 30 days from the date you file the required information. You are requested to file 10 copies of this information within 15 days of date of this letter. If you need further assistance, please contact my staff at 502-564-3940.

Sincerely,

A handwritten signature in cursive script that reads "Linda Faulkner".
