PUBLIC SERVICE

In the Matter of:

CASE NO: 2013-00050

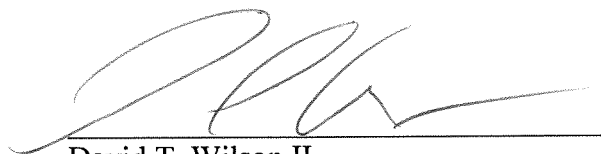

APPLICATION OF HARDIN COUNTY WATER
DISTRICT NO. 1 TO ADJUST ITS RATES
FOR SEWER SERVICE

MOTION FOR EXTENSION OF TIME

Comes Hardin County Water District No. 1 ("Hardin District") and requests an enlargement of time in which to file responses to Commission Staff's first information request. The request is dated July 26, 2013 and the introductory paragraph requests that the response be filed with the Commission Staff not later than August 9, 2013. The request is substantial and it appears improbable that thorough and detailed responses can be prepared by said date.

It is respectfully requested that the time line set forth in the Order adopting the procedural schedule entered July 30, 2013 be adopted. Said Appendix specified that Hardin District shall file with the Commission its responses to the request for information not later than August 27, 2013. Hardin District does not anticipate undue difficulty in satisfying the August 27, 2013 deadline. However, the August 9, 2013 deadline set forth in the first information request is simply an insufficient amount of time. Hence, Hardin District requests an extension of time up to and including August 27, 2013 in which to file its response to Commission Staff's first information request.

Respectfully submitted this 1 day of August, 2013.
