Re: *In the Matter of: Roy G. Collins v. Jackson Purchase Energy Corporation*
Case Number 2013-00052

Dear Mr. Derouen:

Jackson Purchase Energy Corporation ("JPEC") hereby respectfully notifies the Commission and staff that it does not believe an evidentiary hearing will be helpful in the resolution of this matter as the issue before the Commission is the correct interpretation and application of JPEC's tariffs. Therefore, JPEC hereby respectfully requests that the parties be permitted to file briefs on the issues before the Commission and be given the opportunity to submit any additional pertinent evidence at that time.

Sincerely,

A handwritten signature in black ink, appearing to read "Melissa D. Yates", written over a printed name and title.
