more than one eligible telecommunications carrier, the State commission shall require the remaining eligible telecommunications carrier or carriers to ensure that all customers served by the relinquishing carrier will continue to be served, and shall require sufficient notice to permit the purchase or construction of adequate facilities by any remaining eligible telecommunications carrier. The state commission shall establish a time, not to exceed one year after the State commission approves such relinquishment under this paragraph, within which such purchase or construction shall be completed.

The Commission finds that, pursuant to USC 47 214(e)(4) above, there is more than one ETC in the area of relinquishment and those carriers have sufficient facilities for the provision of service. Additionally, since Absolute has no customers, it is not necessary for the Commission to make a determination on the ability of other ETCs to serve those customers.

The Commission being sufficiently advised, IT IS HEREBY ORDERED that Absolute Home Phones' request to withdraw as an ETC is granted. This case is now closed and removed from the Commission's docket.
