Re: McCoy et al v. Mountain Water District  
Kentucky PSC Case # 2013-00092

Dear Mr. Hughes:

I am enclosing herewith color copies of 3 maps that my clients will be using as Exhibits during the hearing. The maps are dated January, 2007 and August, 2008 and were prepared by Summit Engineering on behalf of Mountain Water District. These maps are being provided in supplement to the information provided to you earlier in the week. Color copies are also being provided to the PSC for its file.

Sincerely,

Christian R. Harris
