RE: Formal Application for a Purchased Water Adjustment

To Whom It May Concern:

Enclosed is an original and 10 copies of an application for a purchased water rate adjustment for Pendleton County Water District. The adjustment was necessary to recover an increase in the cost of water attributable to our suppliers' new wholesale rates. A copy of the suppliers' notice of the changed rate showing the effective date of the increase is attached.

The district will publish the enclosed public notice of these requested rate revisions in the local newspapers. In accordance with PSC rules and regulations, the notice will be published before the new bills are issued and will be published one time. A copy of the newspaper notice and an affidavit verifying publication will be forwarded to you upon publication.

Mr. Jones:

We wish to notify you that the Kentucky Public Service Commission has recently granted an order in connection with our Rate Case 2012-00072 in which we were granted an increase that affects the rate you pay for wholesale water purchased from our system. Effective after February 1, 2013, the wholesale rate will go from the current rate of \$3.13 per 1,000 gallons (\$2.34 per 100 cubic feet) to \$3.20 per 1,000 gallons (\$2.39 per 100 cubic feet). This is phase one of a two step process with the second phase becoming effective after January 1, 2014 and the wholesale rate going from \$3.20 per 1,000 gallons (\$2.39 per 100 cubic feet) to \$3.26 per 1,000 gallons (\$2.44 per 100 cubic feet).

Please feel free to call me at 859-426-2758 if you have any questions and we look forward to serving your future needs.

Sincerely,
