**CLASSIFICATION OF SERVICE**  
**High Efficiency Lighting Replacement Program**

**High Efficiency Lighting Replacement Program**

**Purpose**

T This program promotes an increased use of Compact Fluorescent Light ("CFL") lamps meeting ENERGY STAR® standards among residential customers by purchasing and distributing CFL lamps.

**Availability**

T This DSM program's rates, terms and conditions are available to residential customers, subject to the limitations and eligibility requirements of this program, and to the rules and regulations of this tariff.

**Eligibility**

An eligible residential customer is a residential customer in Kenergy Corp.'s service area.

**Member Incentives**

Kenergy Corp. will purchase and distribute CFL lamps to its eligible residential customers.

**Terms & Conditions**

Kenergy Corp. will distribute up to six CFL lamps per residential customer.

**Evaluation, Measurement and Verification**

Kenergy Corp. will initiate a process of evaluation, measurement and verification for the program. The process will ensure the quality and effectiveness of the program and optimal use of resources.

ENERGY STAR® Clothes Washer Replacement Incentive Program

ENERGY STAR® Clothes Washer Replacement Incentive Program

Purpose

T This program promotes an increased use of clothes washing machines meeting ENERGY STAR® standards ("Qualifying Clothes Washer") among residential customers by paying a residential customer an incentive for the benefit of an eligible residential customer, who purchases and installs a Qualifying Clothes Washer.

Availability

T This DSM program's rates, terms and conditions are available to its residential customers, subject to the limitations and eligibility requirements of this program, and to the rules and regulations of this tariff.

Eligibility

A residential customer who purchases and installs a Qualifying Clothes Washer in the Kenergy Corp. service area.

Member Incentives

Kenergy Corp. will pay an incentive payment of \$100 for each Qualifying Clothes Washer purchased and installed by an eligible residential customer.

Terms & Conditions

To qualify for the incentive under this program, a residential customer must submit to Kenergy Corp. a copy of a paid invoice from a legitimate retail appliance supplier for purchase and installation of a Qualifying Clothes Washer on the premises of an eligible residential customer.

Evaluation, Measurement and Verification

Kenergy Corp. will initiate a process of evaluation, measurement and verification for the program. The process will ensure the quality and effectiveness of the program and optimal use of resources.

**ENERGY STAR® Refrigerator Replacement Incentive Program**

**ENERGY STAR® Refrigerator Replacement Incentive Program**

**Purpose**

T This program promotes an increased use of fifteen (15) cubic foot or larger refrigerators meeting ENERGY STAR® standards ("Qualifying Refrigerator") among residential customers by paying an incentive for the benefit of an eligible residential customer, who purchases and installs a Qualifying Refrigerator and removes from operation and recycles an existing older, low-efficiency refrigerator.

**Availability**

T This DSM program's rates, terms and conditions are available to its residential customers, subject to the limitations and eligibility requirements of this program, and to the rules and regulations of this tariff.

**Eligibility**

An eligible residential customer is a residential customer who purchases and installs a Qualifying Refrigerator and removes from operation and recycles an existing refrigerator.

**Member Incentives**

Kenergy Corp. will pay a residential customer an incentive payment of \$100 for each Qualifying Refrigerator that is purchased and installed by an eligible residential customer in conjunction with removing from operation and recycling an existing refrigerator.

**Terms & Conditions**

To qualify for the incentive under this program, the residential customer must submit to Kenergy Corp. a copy of a paid invoice from a legitimate retail appliance supplier for purchase and installation of a Qualifying Refrigerator on the premises of an eligible residential customer and acceptable documentation that an older refrigerator has been removed from operation and recycled.

**Evaluation, Measurement and Verification**

Kenergy Corp. will initiate a process of evaluation, measurement and verification for the program. The process will ensure the quality and effectiveness of the program and optimal use of resources.

**Residential & Commercial High Efficiency Heating, Ventilation and Air Conditioning ("HVAC") Program**

**Residential & Commercial High Efficiency Heating, Ventilation and Air Conditioning ("HVAC") Program**

Purpose

This program promotes an increased use of high efficiency HVAC systems among residential or commercial customers by paying that customer an incentive for the benefit of an eligible customer who purchases and installs an HVAC system beyond contractor grade minimums. HVAC systems shall meet ENERGY STAR® standards ("Qualified System").

Availability

This DSM program's rates, terms and conditions are available to its residential or commercial customers, subject to the limitations and eligibility requirements of this program, and to the rules and regulations of this tariff.

Eligibility

An eligible residential or commercial customer is a customer who upgrades an HVAC system to a Qualified System.

Member Incentives

Kenergy Corp. will reimburse a residential customer an incentive payment based on the following table for purchase and installation by one of its residential customers of a Qualified System HVAC upgrade located in the Kenergy Corp.'s service area. The incentive paid for each Qualified System of one of the following types shall be:

Geothermal	\$ 750
Dual Fuel	\$ 500
Air Source	\$ 200

N Kenergy Corp. will reimburse a commercial customer an incentive payment of \$75 per ton (12,000 BTU per hour nominal capacity) when a commercial customer installs a Qualified System HVAC upgrade located in the Kenergy Corp. service area.

Touchstone Energy® New Home Program

Touchstone Energy® New Home Program

Purpose

T This program promotes an increased use of energy efficient building standards as outlined in the Touchstone Energy® certification program, including installation of high efficiency HVAC systems meeting ENERGY STAR® standards, among residential customers by paying a residential customer whose new home includes an HVAC system beyond contractor grade minimums that is one of four specified types of HVAC systems meeting ENERGY STAR® standards ("Qualified System").

Availability

T A DSM program's rates, terms and conditions are available to residential customers, subject to the limitations and eligibility requirements of this program, and to the rules and regulations of this tariff.

Eligibility

An eligible residential customer is a residential customer whose new Touchstone Energy® Certified residence includes a Qualified System.

Member Incentives

Kenergy Corp. will pay a residential customer an incentive payment based on the following table for purchase by one of its residential customers of a new Touchstone Energy® Certified residence that includes a Qualified System. The incentive paid for each residence for a Qualified System of one of the following types shall be:

Table with 2 columns: Incentive Type and Amount. Rows include Geothermal Heat Pump (\$2,000), Air Source Heat Pump (\$1,000), Dual Fuel Heat Pump (ASHP w/Gas Backup) (\$1,200), and Gas Heat (\$750).

Terms & Conditions

To qualify for the incentive under this program, a residential customer must submit to Kenergy Corp. a copy of the original Touchstone Energy® Certified residence certification document and supporting documents, and a copy of the receipt or certification from a licensed HVAC contractor verifying installation of the Qualified System on the premises of a residential customer.
