Subject: Request for Records UP Kentucky Open Records Act

TO WHOM IT MAY CONCERN:

The Public Service Commission is reviewing an application for a Certificate of Public Convenience and Necessity to construct certain water distribution facilities in Casey County, Kentucky that East Casey County Water District is constructing. Pursuant to the Open Records Act, the PSC requests all documents related to the following project:

AI # 33885, APE20120001
DW No. KY0210067-12-001
PWSID # 0230556-12-001
East Casey Contracts 18A and 18B

If possible, please provide these records in electronic form. If they cannot be transmitted by electronic mail due to their size or if a temporary FTP site cannot be created to permit the PSC to access the files, the PSC requests that they be placed on a CD-ROM and delivered to the PSC by state government messenger mail. If a charge must be assessed to the PSC for these records, the PSC requests that the charge be by inter-account bill. Please contact Ms. Stella Ashley for authorization to perform the inter-account billing.

I respectfully request that receipt of this request be acknowledged. Please direct any questions regarding this request to me.

Sincerely,

Gerald E. Wuetcher
