

Commonwealth of Kentucky

Before The Public Service Commission

In the Matter of:

Frank McAninch

COMPLAINANT

V.

Taylor County RECC

CASE NO. 2013-00165

DEFENANT

COMPLAINANT RESPONSE TO DEFENDANTS  
THIRD MOTION TO DISMISS

The Taylor County RECC has for the third time asked for the complaint by Frank McAninch to be dismissed because Mr. McAninch is not an attorney. A person does not have to be an attorney to file a complaint with the Public Service Commission.

I, Frank McAninch, filed the complaint against the Taylor RECC because of the unfair, unreasonable, and unjust cost of a general purpose on farm electric service. The Taylor RECC asked \$14,845.92, for the exact same service South Ky. RECC asked \$2904.00. The difference in cost \$11,941.92 is unfair, unreasonable and unjust. The Taylor RECC seems to realize this and again for a third time is trying to avoid the issue and have the case dismissed. The Taylor RECC argument has no merit and Mr. Barry L Myers should be ashamed of his treatment of a twenty- year member, who currently has four services in his name. The money he is wasting, for what motive is unclear, seems at best mismanagement of Taylor RECC funds.

I am tired of Mr. Myers and Mr. Spragens insulting tone and unprofessional language such as "thumbing his nose" and "making a mockery." I think the Taylor RECC and Mr. Barry L Myers have lost sight of the public trust and mission placed upon them. The Taylor RECC said "Complainant who refuses to make a good-faith effort of compliance." I think such a statement is a dishonest falsehood, and the Commission should question such language and the character of those using it. I believe public opinion will be on my side and I am now ready to present the evidence of my case to the public media and find out if there are others who have been treated unjustly by the Taylor RECC.

I, Frank McAninch, ask the Commission to order the Taylor RECC to provide a General Purpose on Farm Service for the cost quoted by South Ky. RECC \$2904.00 and stop wasting the time and money of everyone involved.
