RE: Case No. 2013-00183
Appalachian Waste Control, Inc.

Dear Mr. Baughman:

The Public Service Commission acknowledges receipt of the application that Appalachian Waste Control, Inc. tendered to the Commission on May 7, 2013. Although Case No. 2012-00035 appears on the application, the Commission has created a new docket for the application. In all future correspondence or filings in connection with this application, please reference Case No. 2013-00183.

Upon review of the application, Commission Staff has determined that the application fails to comply with 807 KAR 5:001, Section 14(2)(a), as it does not include a certified copy of Appalachian Waste Control, Inc.'s Articles of Incorporation and all amendments or, in the alternative, state the Commission proceeding in which those Articles of Incorporation and amendments were previously filed.

The statutory time period in which the Commission must complete its review of that application will not commence until the above-mentioned required information is filed with the Commission. You are requested to file this information within 10 days of the date of this letter.

If you need further assistance, please contact my staff at: (502) 564-3940.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff Derouen", enclosed in a rectangular box.
