RE: Application of Farmers Rural Electric Cooperative
Corporation For the Adoption of a Sample Meter Testing Procedure
Case No. 2013-00186

Dear Mr. Richardson:

On July 1, 2013, Farmers Rural Electric Cooperative Corporation ("Farmers") filed a motion for an extension of time to respond to Commission Staff's Data Request, currently due July 2, 2013.

The motion indicates that Farmers has been working to provide the answers to the requests but will be unable to file same until July 16, 2013 due to the number and technical nature of the questions. Farmers requests a 14 day extension of time from July 2, 2013 to July 16, 2013 within which to respond to the data request.

As these data requests were not issued pursuant to a Commission procedural order, it is not necessary for an Order to be issued granting this request. As such, your request for an extension of time up to and including July 16, 2013 within which to file responses to Commission Staff's First Request for Information is granted. If you have any questions, please contact Faith Burns of the Commission staff at 502/564-3940, or 502/782-2582.

Sincerely,

Jeff Derouen
Executive Director
