Kentucky Power Company

REQUEST

Refer to Workpaper S-2 page 1 of 3. Please provide the computations in support of the 2.99% interest rate for accounts receivable financing.

RESPONSE

The accounts receivable financing rate of 2.99% was a typographical error. The amount should have been 1.1147%. See KIUC 1-1 Attachment 13, which are the work papers supporting the Company's proposed weighted average cost of capital.

Section V is also being updated to include the rate of 1.1147%. This response will be supplemented upon completion.
