**Re: Purchase Water Adjustment**

Enclosed is an original and 10 copies of an application for a purchased water rate adjustment for Sharpsburg Water District. The adjustment is necessary to recover an increase in the cost of water attributable to our supplier's new wholesale rates.

The District will notify customers of the requested rate increase on the August 2013 billing.

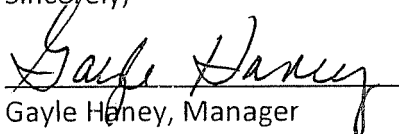

Also, it should be noted that the bulk loading rate of \$9.00 per 1000 gallons will remain the same; due to the machine only takes dollar bills.

Enclosed, along with the application are the following items:

1. Notice from Bath County Water District (supplier)
2. Revised tariff sheet
3. Worksheet
4. Copy of billing format showing notice to customers
5. Copy of rates from City of Carlisle
6. Copy of board minutes approving rates

Please let me know if any further information is needed.

Sincerely,

  
Gayle Haney, Manager
