RE: Case No. 2013-00234

Dear Mrs. Miller:

The Commission is in receipt of your June 11, 2014 letter wherein you indicated that you would like to "resend [sic] the request for abandonment of Richardsville Gas Co., Inc."

Please confirm that subsequent to the recent adjustment in its rates, Richardsville Gas Co., Inc. is requesting to withdraw its original June 14, 2013 request to abandon its utility facilities and intends to continue operating the utility unless and until such time as an agreement is reached with a potential purchaser.

Upon your confirmation, the Commission may dismiss this matter without prejudice. Please be advised that should an agreement be reached to sell the utility, an application to transfer control should be submitted to the Commission pursuant to KRS 278.020(5) and neither a transfer nor abandonment should be undertaken without prior Commission approval.

Questions concerning this letter should be directed to Jonathan Beyer, Commission counsel, at (502) 782-2581.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jeff Derouen".

Jeff Derouen  
Executive Director
