Stabbing leads to arrest

Independence police have arrested Matthew "Matty" Smith, 25, and charged him with murder after an early morning stabbing on England Drive led to the death of another man.

Assistant Police Chief Dave Nichols said there was an argument sometime early Wednesday morning and that police got the call about 7 a.m. The victim, a 39-year-old man, was found in the back yard and has not been identified.

Police immediately identified a suspect and were interviewing witnesses. Smith was arrested shortly after noon.

Fire forces evacuation at Boone animal shelter

A fire in a clothes dryer caused an evacuation of the Boone County Animal Shelter in Burlington about 5:45 p.m. Tuesday. Animals were evacuated

as some of the shelter filled with smoke, but none of the animals or workers at the facility was hurt, director Beckey Reiter said on the group's Facebook page.

Several of the animal control officers on duty are firefighters, and they worked to contain the damage, Reiter said. There was some water and smoke damage to the building.
