PSC,

Since our water & sewer rights to the PSC have been systematically taken away by our local officials, I am writing the PSC when McCracken County is involved.

I followed a paper trail after I found that the Reidland Water & Sewer District deceived me in a contract. That paper trail involved deceiving the Ky PSC during a hearing (forced by a 1200 signature petition) in 1997, followed by false answers on the loan application to the Ky Infrastructure Authority to build the new Reidland Sewer Plant.

I used to trust McCracken County but no more, the cover-up tactics are classic. Let me know if you want me in Frankfort and I'll bring my evidence.
