

**COMMONWEALTH OF KENTUCY
BEFORE THE PUBLIC SERVICE COMMISSION
CASE NO. 2013-00291**

HAROLD BARKER;
ANN BARKER; and
BROOKS BARKER,
COMPLAINANTS

V.

EAST KENTUCKY POWER
COOPERATIVE, INC.,
DEFENDANT

MOTION TO COMPEL

RECEIVED

JUN 15 2015

**PUBLIC SERVICE
COMMISSION**

Come the Complainants, **HAROLD BARKER, ANN BARKER** and **BROOKS BARKER**, by counsel, and move the Kentucky Public Service Commission as follows:

The Barkers and their engineer John Pfeiffer have received no response from the Defendant to the Complainants' letter dated December 9, 2014 requesting voltage and load data for the 345kV/138kV Smith Hunt Sideview North-Clark transmission lines that run through their property.

The Defendant has also not responded to the Barkers' settlement proposal submitted on the same date of December 9, 2014.

The Complainants' last correspondence from the Defendant was on August 14, 2014. The Complainants feel that ample time has been given for the Defendant to submit the requested information and cannot understand why the Defendant is delaying correspondence involving their case no. 2013-00291, currently before the Commission.

The Barkers are seeking to resolve case no. 2013-00291 but feel that Defendant needs to also be willing to submit information when requested in order to do so.

Respectfully submitted,

M. ALEX ROWADY, ESQ.
