Re: Case #2013-00332

I would like to express my opposition to the announced intentions of AmeriGas to discontinue our current gas service and replace it with individual residential tanks. I have been extremely pleased with the service received from Brights Bottle Gas and would like to see that kind of service continued in the future.

It is also my understanding that the deed restrictions here at Old Bridge do not permit either above or underground tanks which, of course, would prohibit the proposal from being implemented.

In addition, the proposed changes would in no way improve efficiency to the residents here at Old Bridge which should be the prime concern of AmeriGas rather than greed.

Thank you for kind attention to this matter.

Respectfully,
