Re: Morgan County Water District
Pass through Application Withdraw Request

Dear Mr. Derouen:

The Morgan County Water District would like to request a withdraw of our purchase water rate adjustment application. We have received a letter from our water supplier, Cave Run Water Commission, stating they have agreed to delay our rate increase date until December 23, 2013. We will submit a new and revised application at a later date. Attached is the letter we received from Cave Run Water Commission. Should you need any more information or have any questions please contact me.

Sincerely,

Kyle Risner, General Manager
