RE: Public Notice-Public Service Commission of Kentucky (Case #: 2013-00369)

Dear Sir or Madam:

My office is in receipt of a letter from East Kentucky Network, regarding Case #: 2013-00369, concerning the construction of a cellular telecommunications tower in Harlan County. Our 911 addressing staff conducted necessary research for our office on the property in question, and the findings are as follows:

In relation to the following proposed site: location near 1163 Hwy
522, Baxter, KY, Harlan County, Kentucky; Case #: 2013-00369

**No known issues regarding this proposed site, but
follow-up is needed for historical significance**

Recently, another company expressed interest in cell phone tower locations in our county. I have encouraged this particular company to contact organizations within the county, which may contribute to whether or not the site in question has any historical significance. I will encourage the East Kentucky Network company also conduct this necessary step prior to finalizing plans for any cellular telecommunications tower construction within our county.

If you have any further questions, please contact my office for assistance.

Sincerely,

Joseph A. Grieshop
Harlan County Judge Executive

RE: Public Notice-Public Service Commission of Kentucky (Case #: 2013-00369)

Dear Ms. Haney:

On behalf of the Harlan County Fiscal Court, I would like to express my appreciation for the interest in locating a cellular telecommunications tower in Harlan County, KY. The addition of any towers in our community will greatly benefit the cell phone needs of Harlan County citizens.

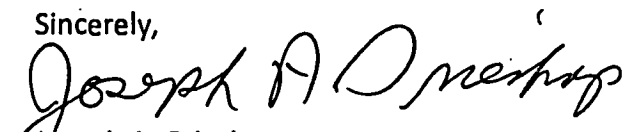

Our 911 addressing staff conducted necessary research on the property in question, and the findings are as follows:

No known issues regarding this proposed site, but follow-up is needed for historical significance; (Please note: if a cell phone tower is constructed, the site will require a new address.)

I strongly encourage you to notify the local organizations within the county, which may contribute to whether or not the site in question has any historical significance. This necessary step needs to be conducted prior to finalizing plans for any cellular telecommunications tower construction within our county.

If you have further questions, please contact my office for assistance. Once again, I appreciate your company's efforts and cooperation in bringing this much needed resource to the citizens of Harlan County.

Sincerely,

Joseph A. Grieshop
Harlan County Judge Executive

RE: Public Notice-Public Service Commission of Kentucky (Case No. 2013-00369)

East Kentucky Network, LLC d/b/a Appalachian Wireless is applying to the Public Service Commission of Kentucky for a Certificate of Public Convenience and Necessity to construct and operate a new facility to provide cellular telecommunications service in Harlan County. The facility will include a 180 foot self supporting tower with attached antennas extending upwards, and an equipment shelter on a tract of land located near 1163 Highway 522, Baxter, Harlan County, Kentucky. A map showing the location of the proposed new facility is enclosed. This notice is being sent to you because you may own property or reside within a 500' radius of the proposed tower.

The Commission invites your comments regarding the proposed construction. You also have the right to intervene in this matter. The Commission must receive your initial communication within 20 days of the date of this letter as shown above.

Your comments or request for intervention should be addressed to: Executive Director's Office, Public Service Commission of Kentucky, P.O. Box 615, Frankfort, KY 40602. Please refer to Case No. 2013-00369 in your correspondence.

If you have any questions for East Kentucky Network, LLC, please direct them to my attention at the following address: East Kentucky Network, LLC, 101 Technology Trail, Ivel, KY 41642 or call me at 606-477-2355, Ext. 1007.

Sincerely,
