The Commission Staff has reviewed Grant County Sewer District's application in the above case. This filing is rejected for the reasons set forth below.

Filing deficiencies pursuant to:

807 KAR 5:071 Section 3(3):

- (a) Copy of amortization schedules of present and proposed indebtedness.
- (b) A full and complete explanation of any corporate or business relationships between applicant and parent or brother-sister corporation, subsidiary(ies), a development corporation(s), or any other party or business to afford the PSC a full understanding of the situation.

The statutory time period in which the Commission must process this case will not commence until the above-mentioned information is filed with the Commission. If your filing contains a proposed effective date, the rejection of your filing for reasons of deficiencies voids that proposed effective date. When you file the required information to correct the deficiencies, you may re-file your proposed tariff with a new proposed effective date that is a least 30 days from the date you file the required information. You are requested to file 10 copies of this information within 15 days of date of this letter. If you need further assistance, please contact my staff at 502-564-3940.

Sincerely,

Linda Faulkner
