RE: Purchase Water Adjustment for Judy Water Association

Dear Executive Director:

Judy Water Association has received notification from one of its suppliers (City of North Middletown) of increases in water rates. Please find enclosed 1 (one) original and 10 (ten) copies of the proper documentation to file for a purchase water adjustment.

Judy Water Association is requesting a deviation that will allow for the posting of this increase on customer's bills, company website and displayed at the office. This form of notification is being requested in lieu of advertising in the newspaper because of the expense. If granted this deviation we will notify customers of new rates before the first billing. All income sheets and balance statements are current and on file with the PSC.

If you might have any questions, I can be contacted at 859-498-4809.

Thank you,
