ORDER

On December 2, 2013, Atmos Energy Corporation ("Atmos") requested a five-year extension of its financial hedging program, which the Commission had extended until March 31, 2014. Atmos also requested authorization to continue to use options, if market conditions warrant, during the extended period. At this time, the Commission finds that there is sufficient information in the record to adjudicate this matter and that, unless otherwise requested, a hearing will not be required.

IT IS THEREFORE ORDERED that:

1. Atmos shall have seven days from the date of this Order to request a hearing.
2. Unless a hearing is requested, this matter shall stand submitted on the record.
3. If a hearing is requested, no later than August 21, 2014, Atmos shall file with the Commission a list of the persons it intends to call as witnesses at the scheduled hearing and a summary of each witness's expected testimony.
