RE: Case No. 2013-00428
South Hopkins Water District
(Alternative Rate Filing Adjustment)

Dear Mr. Derouen:

Pursuant to the Commission Staff Report on Case No. 2013-00428 the Commissioners of South Hopkins Water District accept the proffers dated April 2, 2014 to include: adjustment of the general retail rates to a level that will produce an additional \$65,142 and notifying our accountant of the Staff's recommendation for changing asset depreciation lives. We do not find cause for a hearing.

We are especially pleased with the speed with which this adjustment has been handled. Thank you.

Yours truly,

Robert J. Tucker
Chairman
