SEWER SERVICE)	

MOTION TO DISMISS WITH LEAVE TO REFILE

Comes the Defendant, Jessamine-South Elkhorn Water District ("District"), by counsel, and moves the Kentucky Public Service Commission ("PSC") to dismiss this application to establish certain nonrecurring charges with leave to file a new application relative to the same subject matter. In support of the foregoing Motion, the District states that it wishes to submit for approval nonrecurring charges in amounts which differ from its submission herein. Because the current application has been pending since December of 2013, the District believes a new application, which will request nonrecurring charges at increased amounts, would be a more efficient manner in which to proceed.
