ORDER

Adair County Water District (“Adair County”) has requested a deviation from 807 KAR 5:001, Section 12, which requires the filing of a financial exhibit covering “operations for a consecutive twelve (12) month period . . . ending not more than ninety (90) days prior to the date the application is filed.”¹ Adair County has provided its financial statements for the 12-month period ending December 31, 2012, which it asserts is the most recent published financial data available. It further states that there has not been a material change in its financial condition or operation since the publication of these statements.² Finding that Adair County has demonstrated good cause to permit its deviation from 807 KAR 5:001, Section 12, the Commission HEREBY ORDERS that:

1. Adair County’s motion to deviate from 807 KAR 5:001, Section 12, is granted.

¹ 807 KAR 5:001, Section 12.

² Application, at p. 4.

2. Adair County's application is considered filed as of the date of this Order.
3. Nothing contained in this Order shall preclude the Commission from requiring the production of information regarding Adair County's financial condition or operations since December 31, 2012.
