ORDER

Kentucky Rural Water Association ("KRWA") has applied for accreditation of its Operator EXPO to be held at the Hardin County Fairgrounds in Glendale, Kentucky, on May 14, 2014, and at which instruction is to be provided on, *inter alia*, care, calibration, and proper use of various common types of equipment, GPS usage, leak detection, repairing water main breaks, and operator responsibilities and ethics.

This Commission is required to "encourage and promote the offering of high quality water district management training programs that enhance a water district commissioner's understanding of his or her responsibilities and duties."<sup>1</sup> Having reviewed KRWA's application, the Commission finds that the instruction in question will enhance a district commissioner's understanding of his or her responsibilities and duties and should, therefore, be accredited for six (6) hours of water district management training.

IT IS THEREFORE ORDERED that:

1. KRWA's instruction at the Operator EXPO, which will be held on May 14, 2014, at the Hardin County Fairgrounds in Glendale, Kentucky, is accredited and

approved for a maximum of six (6) credit hours of water district management training.

2. KRWA shall retain a record of all water district commissioners attending the accredited and approved presentation.

3. KRWA shall file with the Commission no later than June 15, 2014:

a. A sworn statement attesting that the accredited instruction was performed;

b. A description of any changes in the presenters or the proposed curriculum that occurred after KRW'S application; and

c. The name of each water district commissioner, his or her water district, and the number of hours that he or she attended.
