

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN INVESTIGATION OF EXISTING AND) CASE NO.
FUTURE SERVICE OF BULLITT UTILITIES,) 2014-00163
INC.)

ORDER

On January 14, 2015, the cities of Hillview and Hunters Hollow, Kentucky, (jointly "the Cities") filed a joint motion to intervene. Pursuant to the Commission's Order entered January 15, 2015, the current parties, Bullitt Utilities, Inc. ("Bullitt Utilities") and the Attorney General of the Commonwealth of Kentucky, by and through his Office of Rate Intervention ("Attorney General"), had until January 20, 2015, to file a response to the Cities' motion. Neither Bullitt Utilities nor the Attorney General filed a response.

On January 20, 2015, Bullitt Utilities filed a motion requesting that the hearing currently scheduled for January 27, 2015, be rescheduled. In Bullitt Utilities' motion, counsel for Bullitt Utilities, Robert C. Moore, states that he was not served with the October 16, 2014 Order scheduling the January 27, 2015 Hearing. Mr. Moore acknowledges receiving service of other Commission Orders issued in this case.

Having been otherwise sufficiently advised, the Commission finds that:

1. The Cities are likely to present issues and develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings, and the Cities should be granted full rights of a party in this proceeding.

2. The October 16, 2014 Order scheduling the January 27, 2015 Hearing was properly served to Mr. Moore, pursuant to KRS 278.380, via electronic mail, which is the same manner of service as every other document issued by the Commission in this case since July 16, 2014.

3. Although Mr. Moore was properly served, through no fault of the Commission, Bullitt Utilities had no knowledge of the scheduled January 27, 2015 Hearing until January 15, 2015.

4. Bullitt Utilities does not have sufficient time to publish notice of the January 27, 2015 Hearing in accordance with 807 KAR 5:001, Section (9)(2)(b), as required by the Commission's October 16, 2014 Order.

5. The hearing currently scheduled for January 27, 2015, should be re-scheduled to a date to be determined.

IT IS THEREFORE ORDERED that:

1. The joint motion of the Cities to intervene is granted.
2. The Cities shall be entitled to the full rights of a party and shall be served with electronic notice of the issuance of all Commission Orders issued after the date of this Order and of all documents filed by any party to this proceeding.
3. Should the Cities file documents of any kind with the Commission in the course of these proceedings, the Cities shall also serve a copy of said documents on all other parties of record.
4. Bullitt Utilities' motion to reschedule the January 27, 2015 Hearing is granted.

5. The hearing currently scheduled for January 27, 2015, shall be rescheduled for a date to be determined.
